THE SKY IS THE LIMIT

Time goes by fast for some, slowly for others. However, as we look back to yesterday, we realize that everyone has moved one step toward the future. So far, this year has really been a milestone in the development of the Hinds AHS seniors, juniors and sophomores. Everyone is a bit wiser than he or she was at the onset of the '89-'90 school year. Yet, the fun is not over. The bulk of our lives begins today. To help us remember a small portion of our high school days, the *Hindsonian* has put together a picturesque depiction of the way we were, the things we did, and the persons with whom we spent precious moments.

Such a depiction serves to remind us of the foundation we have set on which we can build our futures. We have made a start, but the finish line is far. The world is there waiting for us. What we have done, as shown through these pages, only indicate what we can do or what we are capable of doing in the future. This is the atmosphere that we try to reflect through the *Hindsonian*. We view ourselves as reaching for the stars, following dreams, setting goals, and realizing that "The Sky Is The Limit."

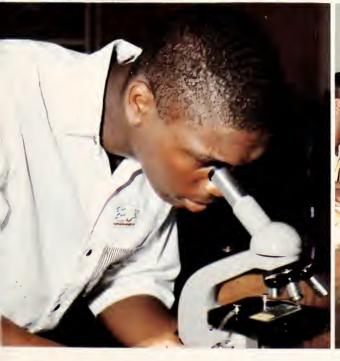

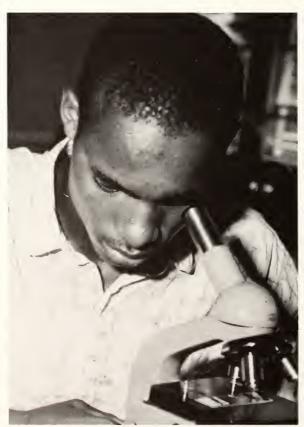

Renetta, "Be for real!"

By golly! I found it.

Hurry up, First Sergeant, I am hungry!

Oh, we're so mighty.

Say cheese, juniors.

Take your time, seniors.

Let's get busy.

You're so wonderful, "baby".

Heading for the Apollo.

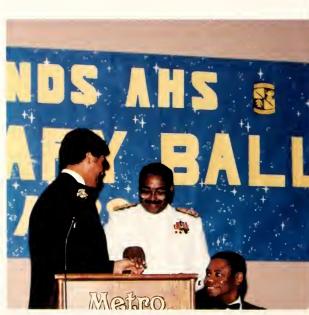

Smile! You're on candid camera.

.. Be All You Can Be

LEARN WHAT IT TAKES TO WIN!

The success that has become a tradition of Hinds A.H.S.
JROTC Drill Teams did not just happen.

The first thing that every cadet must deal with is the possibility that the hard training, work, and long hours will not produce a

that the hard training, work, and long hours will not produce a winning performance.

Each cadet must understand tht if he gives all he can to a cause, and we do not win, he is still a winner; we can expect no more. The cadet must have confidence that comes with a positive self-image. The saying "Be all you can be" fits each drill team member. A chain is only as strong as its weakest link. That's why we call ourselves a TEAM. Teamwork means working together to complete a task; our drill teams do that well. Individual responsibility self-reliance fellowship and teamwork are keys. sponsibility, self-reliance, fellowship, and teamwork are keys to success, not only on the drill field, but in all walks of life.
